

Instruction to submit

1. Access the conference website via [2025 - Fakulta strojní - VŠB-TUO](#)
2. Navigate to “Submit paper” and click the button “Submission system” section.

The screenshot shows the website for the 2025 SCFF conference. At the top, there is a navigation bar with the university's name and various menu items like 'Study', 'Research', 'About us', 'Contact us', and 'Conferences'. Below the navigation bar is a banner image featuring four different mechanical or engineering components. The main content area is titled 'Submit paper' and contains several paragraphs of text. A red circle highlights the text 'or submission system' in the first paragraph. A left sidebar menu lists various conference-related items, with 'Submit paper' highlighted in orange. The breadcrumb trail at the top of the content area reads: 'FME > Department of Machining, Assembly and Engineering Metrology > Conferences > Conference SCFF > 2025 > Submit paper'.

3. In our website for submission [The 3rd International Conference SCFF25](#), click “Register” to create your account.

The screenshot shows the registration page for the SCFF25 conference. At the top right, there is a 'Register' button circled in red, next to a 'Login' link. The page features the SCFF logo in the center and three navigation buttons: 'ABOUT', 'SUBMISSIONS', and 'CONTACT'. Below the navigation buttons is a banner image featuring the same four mechanical components seen in the previous screenshot.

Welcome to SCFF25 · 13 - 15 May 2025 · Ostrava

The conference scope includes but is not limited only to the below-mentioned topics, which contribute to the use of technologies in Smart Cities and Smart Factories for a Sustainable Future. The objective is to promote innovative research and works in the field of applied sciences, technologies, engineering, and management.

4. In the registration page, fill in your information. If you would like to be our reviewer, you can check the third box.
